

## Bugman's Mug

### Alteration

Level: 1

Range: Touch

Components: V, S, M

Casting Time: 1

Duration: 2 rds./level.

Area of Effect: 1 mug of water

Saving Throw: None

Bugnan, a thoroughly loathsome-looking individual with a heart of gold, created this spell for a dwarf friend who often visited. The spell alters normal water into a magical potion that must be unbibed before the duration ends. The potion removes hangovers and other ill effects of inebriation and will negate any current state of drunkenness. It is effective against only alcohol-based changes in the target's physiology, thus ineffective against drugged stupors and poisons.

The material component is common water served in a pewter mug.
