

# Control Undead

## Necromancy

Level: 7

Range: 60 ft.

Components: V, S, M

Duration: 3d4 rds. + 1 rd./level

Casting Time: 1 rd.

Area of Effect: 1d6 undead

Saving Throw: Special

This spell enables the wizard to command 1d6 undead creatures for a short period of time. Upon casting the spell, the wizard selects one point within range of the spell. Those undead nearest to this point are affected, until either undead equal in Hit Dice to the caster's level or six undead are affected. Undead with 3 Hit Dice or less are automatically controlled. Those of greater Hit Dice are allowed a saving throw vs. spell, which, if successful, negates the attempt to control that creature. Regardless of the success or failure of the saving throw, each creature required to make a check counts toward the Hit Dice limit of the spell.

Those creatures under the control of the wizard can be commanded by the caster if they are within hearing range. There is no telepathic communication or language requirement between the caster and the controlled undead. Even if communication is impossible, the controlled undead do not attack the spellcaster. At the end of the spell, the controlled undead revert to their normal behaviors. Those not mindless will remember the control exerted by the wizard.

The material component for this spell is a small piece each of bone and raw meat.

Notes: Common spell (PHB).
