

# Dispel Illusion

## Abjuration

Level: 4

Range: 10 yds./level

Components: V, S

Casting Time: 4

Duration: Instantaneous

Area of Effect: Illusion or phantasm

Saving Throw: Special

Wielding this spell, an illusionist or wu jen can instantly dispel any illusion or phantasm cast by a wizard of another school. However, against a spell of mixed schools, their own schools, and non-wizard illusions, this spell acts as a dispel magic spell (11 or higher on 1d20 to dispel.  $\pm 1$  per level difference). At the DM's option, this spell may affect items that create illusion and phantasmal effects as well.

Notes: Restricted to illusionists and wu jen; common for both.
