By means of this spell, the wu jen is able to enchant a fire within range of the spell. Through this enchantment, the wu jen can deliver a suggestion spell coming from the dancing flames of the fire. All within the area of effect must make a successful saving throw vs. spell to avoid the effect of the suggestion. Those who fail to make the saving throw have looked at the fire and fallen under the spell's effect. All the normal rules concerning the duration and type of suggestion apply to fire enchantment.

The material components for this spell are a mirror and a lighted candle.

Notes: Common in oriental settings; very rare elsewhere.
