

Fire Lance - Red Wizard

Evocation, Fire

Level: 3

Range: 100 yds.

Components: V, S, M

Casting Time: 3

Duration: Instantaneous

Area of Effect 1 creature

Saving Throw: ½

This spell creates a burning lance of flame that leaps from its caster's hand, biting automatically and inflicting 1d6 points of damage per level of the caster, to a maximum of 10d6. Unlike many other fire spells, fire lance does not damage clothing or equipment.

The material component is a lit torch in the caster's hand or one fire source of at least torch size within 30 feet of the caster. casting this spell extinguishes a torch-sized fire source but only slightly diminishes a larger source.

Notes: Common for Red Wizards of Thay; uncommon for Fire mages: otherwise very rare.
